

The Faculty of Medicine and the University Hospital Carl Gustav Carus invite applications for the

## Chair (W2) of Thoracic Surgery

to be filled at the earliest possible date.

The position is integrated in the Department of Visceral-, Thoracic- and Vascular Surgery, and will head the section of thoracic surgery in the department. In line with the cooperation agreement of the "Ostdeutsches Lungenzentrum" we expect the position holder to head the Department of Thoracic Surgery at the Hospital Coswig.

The aim of this position is to represent and develop thoracic surgery in the clinical field, in research and teaching. Due to the interdisciplinary character of thoracic surgery, you will cooperate closely with the University Cancer Center/NCT as well as with the other departments and institutes of the University Hospital and Technische Universität Dresden and with the partners of the "Ostdeutsches Lungenzentrum".

You have an excellent clinical and scientific qualification with an outstanding reputation in thoracic surgery including expertise in open and minimally invasive/robotic surgery, HITOC and laser surgery. In addition, you have a research focus in thoracic surgery and ideally have a long experience in conducting clinical and translational studies. We attach importance to your willingness to actively integrate in the existing structures and the research profile of the Faculty of Medicine. We also wish that you are able to inspire our students in teaching and look forward to your involvement in the implementation and design of innovative and practice-oriented teaching concepts as well as your active support in academic self-administration.

Prerequisites according to § 58 SächsHSFG include a university degree in medicine, a doctoral degree and a post-doctoral degree/habilitation or an equivalent qualification record. Teaching experience and board certification for thoracic surgery are required. Ideally, as the future chair holder, you have experience in acquiring external funding.

The Faculty of Medicine seeks to employ more women in leadership positions and strongly encourages qualified women to apply. We also welcome applications from qualified candidates with disabilities or those with additional support needs.

The employment of professors with medical tasks is carried out according to non-pay scale employment contracts with a basic remuneration and performance- and success-related remuneration components.

Please send your application by **September 26<sup>th</sup>, 2021** in electronic form in a single PDF file or in hardcopy to **Dekan der Medizinischen Fakultät Carl Gustav Carus der Technischen Universität Dresden, Herrn Prof. Dr. med. Heinz Reichmann, Fetscherstraße 74, 01307 Dresden** ([meddekan@mailbox.tu-dresden.de](mailto:meddekan@mailbox.tu-dresden.de)). For further details concerning the required application documents please see the homepage of the Faculty of Medicine or contact the dean's office (Dr. Janetzky, +49 351-458-3356), the Equal Opportunities Officer of the Faculty of Medicine (Dr. Valtink, +49 351-458-6124) or the representative for persons with disabilities (Ms Vogelbusch, +49 351-458-12127).

TU Dresden understands diversity as culturally self-evident and a quality criterion of a university of excellence. Accordingly, we welcome all applicants who would like to commit themselves with their performance and personality to us and with us for the success of all. TU Dresden is strongly committed to the goal of a family-friendly university and offers a dual career service. The Faculty of Medicine also provides active support for childcare options as well as help in finding adequate jobs in the region for the candidate's partner.
